

IMPACT/GSCE Program Policies

The review process for education session proposals is managed by the IMPACT/GSCE Steering Committee(s), Program Working Group(s) and USGBC staff. The Working Groups' responsibility is to produce the strongest possible educational program for conference attendees by including new, important content and learning experiences. All sessions and speakers will be selected based upon the below guidelines:

Session and Presenter Regulations

- In an effort to promote new and diverse groups of presenters, strong preference will be given to presenters who did not present at the previous year's conference or whose content is relevant to the regional audience. Any pre- or post-conference sessions which occur outside of the central two days of conference content are not included in this count.
- Presenters may not distribute any printed collateral at the conference.
- In appreciation of their contribution to the success of the conference, presenters will receive a complimentary one day pass for the day in which you are presenting. If you choose to attend the full conference and/or pre- or post-conference sessions you may do so at your own cost and the cost of a One Day Pass will be discounted from your registration package.
- Presenters for pre and post-conference events receive a complimentary pass to the session at which they are presenting.
- No sessions that are based upon an advertisement, product or service will be accepted into the program.
- Incomplete proposals will not be considered.

Applicant Responsibilities

- Session submitters may not propose speakers without the knowledge and permission of the proposed speakers. All proposed speakers must be able and willing to present at the conference at the time and date assigned. Proposals that are submitted without the knowledge of proposed speakers are subject to immediate rejection; if the proposal is selected and it is found that all speakers did not know about the proposal or did not agree to present, the session is subject to immediate cancellation.
- Accepted presenters who are not able to attend must notify conference staff immediately. Replacement presenters must be suggested and approved by the Working Group Chair. The Chair reserves the right to modify or cancel any session based on a change in presenter.
- If a presenter's employment changes, conference staff must be notified. The Working Group reserves the right to retain or remove presenters based on the best interest of the program. Previous employer must sign letter indicating willingness to let presenter speak (letter could include that presenter will acknowledge who employer was at the time of work).
- All accepted speakers must register for the conference using their complimentary one-day pass by February 12, 2019, or the entire session may be cancelled without notice and a new session will be selected from the waitlist, at the discretion of the Working Group Chair.
- All presentations must be uploaded to the Speaker Resource Center in advance of the conference by the specified deadlines. Failure to do so may result in cancellation of the session.

IMPACT/GSCE Program Process

- The Working Groups reserve the right to develop submitted sessions using a combination of proposals and/or invited presenters.
- Speaker and Reviewer discounts may not be combined or transferred.
- The Working Groups may modify any submitted session by adding or removing speakers or requesting content changes or additions.
- Submissions not selected for the conference may be considered for other USGBC events.
- Final decisions regarding these policies may be made at the discretion of the Working Groups.
