

# GREEN SCHOOLS CONFERENCE & EXPO

## Education Session Submittal Guide

The Green Schools Conference & Expo is now accepting proposals for presenters and topics for the 2019 conference. This guide details all required information for submittal of your session proposal for the following conference:

### Green Schools Conference & Expo 2019

April 8 - 9, 2019

St. Paul, Minnesota

The Green Schools Conference and Expo 2019 is co-located with the IMPACT 2019 Conference. **For the IMPACT Submittal Guide, please [visit this link](#).**

We encourage you to use this guide to draft your submittal. You will not be able to submit one proposal for multiple USGBC events so please use this template accordingly. Only proposals submitted through the submittal site will be accepted; we will NOT accept emailed, faxed, or mailed proposals under any circumstances. Fields marked with an asterisk (\*) are required.

### How to submit your Greenbuild education session proposal:

All proposals must be submitted online through the [GSCE 2019 Submittal Site](#). You may begin the submission process and return to your saved proposal at any time up until the submission deadline. **The submittal site will time-out** due to inactivity – please save your submittal frequently. You must submit a complete proposal before the deadline:

**The deadline for all submissions is Monday, September 24<sup>th</sup>, 2018 at 11:59pm CST.**

## GSCE Education Submission Process

- **Please review** the [2019 GSCE Call for Proposals](#) and [GSCE/IMPACT Program Policies](#) before beginning the submittal process.
- Each presenter and moderator must login individually to the submittal site to enter their personal details and confirm their participation on the proposal. The submitter cannot complete the proposal without the participation of all proposed speakers/moderators.
- Please take a moment to review the [GBCI Continuing Education Course Review Criteria](#). Some GSCE sessions will qualify for GBCI continuing education credit and is an added benefit for presenters and attendees. The Greenbuild session review process ensures that these criteria are met.
- All accepted GSCE sessions will be required to submit their slide deck in advance of the conference.
- For questions regarding the Call for Proposals, please email: [program@greenschoolsconference.org](mailto:program@greenschoolsconference.org)
- For Technical Support related to the submission site please contact:  
Phone: (Direct) (410) 638-923; (Toll Free) (877) 426-6323  
Email: [Help@ConferenceAbstracts.com](mailto:Help@ConferenceAbstracts.com)  
Hours: 9 – 9 ET, Mon - Fri

## Create Account Profile

The person submitting the proposal (the “Submitter”) is required to provide the following information (then click “Create Account”):

*\*Required*

## Begin a Proposal

1. To create a proposal, click on “Click here to begin a new Abstract.”
2. Enter the title of the Proposal (maximum of 60 characters)
3. Select the Presentation Style (detailed below) and then click “Continue”

Proposals will be accepted in the following formats:

- **Speed Greening Sessions:** Proposals for speed greening are for energetic, consecutive, timed, 5-minute presentations by one presenter about a single topic or story. A group of 3-4 individual presenters will be matched by the Program Committee based on topic similarity. After the individual 5-minute presentations is complete, a conference facilitator will lead a 40 minute discussion for a total session length of *60 minutes*.
- **Breakout Sessions:** These sessions are *60 minutes* in length and feature a small team of 2-3 presenters or facilitators who work together to teach the attendees about a defined topic.
- **Expert Panel:** These sessions are *60 minutes* in length and feature a small team of researchers and/or subject matter experts describing recent research or important technical information.
- **Skill Building Workshops:** These sessions are *120 minutes* in length. They are fully hands-on, with an instructor or group of instructors guiding attendees through teaching methods, operational practices, or sustainability actions that they may replicate in their district, school, or classroom.

You must complete each task below for your submission to be complete and considered for the GSCE Program. A green check mark will appear once the task is completed. Once you have completed all tasks, click "Next" and submit your abstract. Your proposal is not complete until you complete this step.

## Task One: Proposal Presenters

You will need to enter the following fields about your presenters. **It is imperative that the email address for all presenters is correct.** If the email address is incorrect, your presenters will not be able to complete their requirements and the proposal will not be reviewed.

*Presentation submittals will earn an extra point if at least one presenter/panelist in the submission is from a group underrepresented in the green building and sustainability community (based on, without limitation, such criteria as gender, race, ethnic identity) and/or offers another unique industry perspective.*

If your session is LEED-specific, WELL-specific, or SITES Specific, please select the corresponding rating system and credits addressed below. The rating system and credit you select should match what is communicated in your learning objectives.  Please note that the answer to this question will not affect how your session is reviewed.	LEED v4 BD+C LEED v4.1 BD+C LEED v4 HOMES LEED v4.1 HOMES LEED v4 ID+C LEED v4.1 ID+C LEED v4 ND LEED v4.1 ND LEED v4 O+M LEED v4.1 O+M SITES v2 WELL Building Standard v1 WELL Building Standard v2 Not Applicable
<b>Specific Credit(s) to be Addressed</b>	If your session directly addresses credits within a LEED, SITES or WELL rating system, please enter the credit(s) here. Please make sure these credits are listed in your Learning Objectives to be consider Rating-System Specific.	Enter specific credit(s) to be addressed. Please make sure these credits are listed in your Learning Objectives to be consider Rating-System Specific.

## Task Seven: Learning Objectives

Please enter four learning objectives. A learning objective is an explicit statement that clearly expresses what the participant will learn or be able to do after attending the session. It is an observable and measurable outcome statement that attendees should be able to exhibit following instruction. In addition, it is a powerful tool to communicate to potential attendees what knowledge and skills they will walk away from your session with and what the core concepts of your course are.

**These learning objectives are required for all sessions**, but will also be used to apply for GBCI continuing education approval. In order to qualify for general CE hours, at least three out of four of the learning objectives must relate directly to green building which includes human health and environmental sustainability as they relate to the built environment and landscape design. Interested submitters should review the [GBCI Continuing Education Course Review Criteria](#).

**Rating system-specific sessions** are primarily focused on teaching attendees the various rating systems but should also be supplemented with additional information such as on-the-ground experiences, fresh perspectives or analysis of the intent and requirements of a credit or feature, as well as new approaches to credit/feature achievement. If you want to deliver a rating system-specific session, three out of four learning objectives **must** state the credits/features and the rating system/version that the session teaches. ***Your session will not be approved as rating system specific unless you meet those requirements.*** Interested submitters should review [the Guidance on creating Rating System-Specific Learning Objectives](#) for additional details including Do's and Don'ts to ensure they meet the requirements listed.

## Task Eight: Submit

- When you are ready to submit your proposal, click the "**Submit Proposal**" button.
